Baron Cyneric Bearson and the Baroness Arianna Freemont.

We, Lord Lokki inn helgi and Lady Elspeth Farre, do express our intention to vie for the honour of serving the people of the Barony of Lions Gate as their Baron and Baroness. We understand the depth and breadth of the work we seek to undertake for the three-year term of office. In times of joy and ease, but also in times of strife and sorrow, we are ready to serve Lions Gate, Tir Righ, and An Tir.

As Gallant and Courtier, we have proven our dedication to our chosen home with Success in the Trials and seek to continue our service to the vast Barony of Lions Gate. We look forward to supporting all of the populace of the Barony and yearn for the opportunity to reward their efforts and illuminate their deeds for all the Kingdom to see.

Our experiences have given us a profound appreciation for our society's values, traditions, and the strong sense of community that we cherish. We wish to share the warmth of the Lions Gate community with all the branches of Tir Righ. We plan to travel widely representing the Crowns, the Coronets, and our own Beautiful Barony.

During our time in the baronial office, we would like to promote joy in the game by melding traditions with new ideas, supporting the changes in the society, such as DEI and omni-peerage. We are looking to involve the Arts & Sciences and Service communities with beautifying the barony, its events, and newcomers. We would also like to see the awards of Lions Gate become testable material for the trials.

Thank you for considering our application. We are excited about the possibility of serving our barony in this capacity and believe we can make a meaningful impact in this role. We wish you the very best with what must be a difficult decision.

With determination and joy,

Elspeth & Lokki
